I use
IDEA.

“IDEA’s ability to handle significant volume of data with ease and reliability, from numerous sources and in various formats, is fundamental to our business processes. The wide range of functions, the usability and the powerful processing capability of IDEA enable us to provide clients with ever increasing opportunities to save money. We believe that IDEA is the best global product available to meet our standard of service and help us to exceed client expectations.”

Twice2much Ltd. is one of the world’s fastest growing Accounts Payable Audit and Recovery specialists and has expanded its users of IDEA four fold in the last year.

IDEA can read, display, analyze, manipulate, sample or extract from data files from almost any source. Lower your audit cost, add more quality to your work and meet professional standards.

Be a better auditor.
You have the knowledge.
We have the tools.
